A future worth investing in at a rate worth investing in

*APY (Annual Percentage Yield) is accurate as of 12/04/23 and subject to change without notice. This account requires a deposit of new money only. New money is defined as money not currently on deposit in any Washington Financial Bank account, with the exception of maturing Washington Financial Bank certificates of deposit. Minimum balance to open and earn the 4.00% APY is \$25,000 new money. Daily balances that drop below \$25,000 will earn .05% APY. In addition, customers are not permitted to transfer/deposit existing Washington Financial Bank funds into the Money Market Special account at any time during the life of the account, with the exception of the maturing certificates of deposit noted above. Washington Financial Bank reserves the right to monitor the account and reverse any such transfers/deposits if they occur. Money Market Special is available for both personal and business accounts. Fees may reduce earnings. Rates may change after account opening. Restrictions apply.
